

**Cargo Liner (5-Passenger)**
**\$125.00**

The Cargo Liner provides long-lasting cargo area protection. Uniquely designed and custom fitted to the 4Runner's (5-passenger) cargo floor, the liner is made of tough, easy-to-clean material. The skid-resistant surface helps keep items in place while on the road and the perimeter lip helps keep spills limited to the Cargo Liner area.

**Cargo Net (2nd Row Seating)**
**\$84.97**

The Cargo Net has hammock-style netting with elastic closure. This flexible and stretchable, nylon-braided net secured by tie-down rings in the rear cargo area prevents items from shifting around while on the road. Easy to install, and remove when not in use.

**Cross Bars**
**\$314.00**

Engineered for seamless integration with 4Runner's factory roof rails, this set of two Cross Bars enhances 4Runner's cargo management versatility and provides additional tie-down points for all types of cargo. Load capacity is 60 kg when evenly distributed across both bars.

**Hood Deflector**
**\$211.98**

4Runner's hood can take a beating and still look great. Made from thick high-grade tinted acrylic, the Hood Deflector offers high impact resistance and reduces the potential for road debris and insect damage. The stylish wraparound design complements 4Runner's bold new look.

**Paint Protection Film**
**\$585.00**

Genuine Toyota paint protection film, made from the highest grade 3M film and designed for the hood and front fenders, helps guard your vehicle from weathering, UV radiation and road debris that can chip and scratch the finish. Constructed from durable, nearly invisible thermoplastic urethane, the clear-coated film helps your Toyota maintain a like-new appearance, while allowing you to clean and maintain your vehicle the same as before. Backed by a 7 year limited warranty. At participating dealers only.

**Plug-In Block Heater**
**\$417.00**

The Plug-In Block Heater makes a cold weather start a breeze. A custom-designed system with 400 watts of heating power not only warms a vehicle up quicker but also reduces engine strain and wear. The heater also saves fuel and battery power during startups. With the socket conveniently integrated into the front valance, the Plug-In Block Heater has a factory finished look. It comes with both a main 8-foot and spare 18-inch power supply cord, with a 16-foot cord available separately.

**Towing Hitch Ball 2" - 6,000 lbs**  
\$32.00

The Toyota Towing Hitch Ball is designed and tested to meet your Toyota's towing specification and quality standards.

**Toyota START+ Remote Engine Starter (Smart Key System)**

\$794.95

Enjoy the luxury of having your Toyota ready and waiting with a comfortable vehicle interior temperature, no matter what the weather is outside. Toyota START+ long range remote engine starter enables you to start your Toyota from 800 meters or 2,600 feet away (range can be affected by the surrounding environment). That's the equivalent distance of running two laps around an Olympic-sized track! Toyota START+ also activates your pre-set heating and air conditioning system. It can even turn on your front and rear defoggers. All before you head out the road.

All features may not be applicable to all vehicle models.

**TRD Forged Aluminum Oil Cap**  
\$77.00

Manufactured from forged, highly polished billet aluminum, the TRD Oil Cap features a red on black TRD logo to customize the engine compartment with a high-tech, race-inspired appearance. It's finished with a high-luster coating to maintain its appearance for years to come.
