

Auto Dimming Rear View Mirror

\$285.00

Thanks to the sophisticated sensors built into the Toyota Genuine Auto Dimming Rear View Mirror, this value-added accessory provides automatic progressive dimming. It will automatically dim in proportion to the level required to eliminate glare, which helps to improve safety by reducing eyestrain and decreasing driver fatigue. In addition, our Toyota Genuine Auto Dimming Rear View Mirror has an integrated digital compass with eight directional readouts, so you'll always know which direction you're headed.

Auto-Dimming Rear View Mirror (with HomeLink)

\$395.00

Thanks to the sophisticated sensors built into the Auto Dimming Rear View Mirror, this accessory provides automatic progressive dimming. The mirror will automatically dim in proportion to the level required to eliminate glare, which helps in reducing eyestrain and driver fatigue. The Auto-Dimming Rear View Mirror also has an integrated digital compass with eight directional readouts and features integrated HomeLink functionality which gives drivers the ability to operate a wide variety of garage doors, estate gates, home security systems, lighting, interior electronics and appliances.

Cargo Liner

\$125.00

Protection for a long-lasting cargo area. This durable, long-lasting custom designed vinyl liner features a raised lip to contain spills for simple cleanup. Textured finish minimizes load shifting and the cargo area carpeting gets extra protection for wear and tear. The easy-to-install liner is equally simple to remove for cleaning. It's the ideal place for storing wet and dirty cargo. Consider it the ultimate way to protect the vehicle interior from scratches and spills.

Cargo Net

\$100.00

Handy way to keep things from sliding around. The Toyota Cargo Net has a rugged hammock-style netting with elastic closure. The flexible, nylon braided net secured by tie-down rings in the cargo area prevents items from flying around while on the road. The stretchable net secures and protects all of your cargo. Easy to install, it can easily be removed and stored in a compact way when not in use.

Door Sill Protectors

\$191.00

The custom-fit door sill enhancements provide a practical and custom look to your Corolla. Featuring a brushed-aluminum overlay with chrome accents and a vehicle logo, these door sill enhancements are as protective as they are stylish.

Block Heater

\$180.00

Makes a cold weather start a breeze. Custom-designed system with 400 watts of heating power not only warms a vehicle up quicker but also reduces engine strain and wear. Heater saves fuel and battery power during startups as well. The strain relief electrical cord (available on selected models) reduces cord damage.

Bodyside Moulding

\$270.00

Color-matched body side mouldings help protect door panels from scratches, dents and chipping. Designed specifically to help preserve and enhance the vehicle's appearance. Unlike many aftermarket mouldings, genuine Toyota body side mouldings have undergone rigorous testing to ensure their resistance to temperature, weather, impact, stone chips, high pressure washing, wind noise and peeling. Body side mouldings also help maintain your vehicle's resale value.

Hood Deflector

\$189.00

Your hood can take a beating and still look great. Made from thick high-grade tinted acrylic, the deflector offers high impact resistance and reduces the potential for road debris and insect damage. The stylish wraparound design complements the vehicle's appearance while providing extra side protection.

Paint Protection Film

\$520.00

Genuine Toyota paint protection film, made from the highest grade 3M film and designed for the hood and front fenders, helps guard your vehicle from weathering, UV radiation and road debris that can chip and scratch the finish. Constructed from durable, nearly invisible thermoplastic urethane, the clear-coated film helps your Toyota maintain a like-new appearance, while allowing you to clean and maintain your vehicle the same as before. Backed by a 7 year limited warranty. At participating dealers only.

Rear Bumper Protector

\$115.00

Help keep the top surface of your rear bumper free of scrapes and scratches, while preserving the like-new appearance of your Corolla. The Raised tread pattern enhances the stylish looks of your Corolla while a skid-resistant surface provides assistance when loading and unloading cargo.

Roof Rack

\$362.75

Carry more on your roof. Ideal for carrying skis and bikes, this custom-fit rack has a quality, integrated look and offers cargo-carrying capability without sacrificing interior space. Equipped with front and rear sliding crossboards with adjustable tie-down eyes, the racks are compatible with most lockable Bike/Ski Rack Attachment. A wide range of shapes and sizes can be securely fastened with minimal chance of shifting.

TRD Exhaust System

\$775.00

Upgrade your Corolla's performance as well as its appearance. The TRD performance exhaust system delivers increased horsepower, and produces a deeper, more resonant and throaty engine sound. TRD Exhaust System, constructed of high quality stainless steel, not only helps to reduce back pressure for improved horsepower and delivers measurable boost in performance, but also is emissions compliant and meets all noise limit standards.

For calculation purposes, all accessory pricing includes installation (if required). However, because the cost of doing business varies, the installation portion of the price may not be the exact cost of installation at a dealership. Please confirm accessory pricing with your dealership.

TRD Lowering Springs

\$945.00

Let the TRD Lowering Springs absorb road shocks and bumps and improve your Corolla's handling and on-road performance. Installing a set of TRD Lowering Springs lowers your Corolla's centre of gravity, and enhances steering response and cornering ability. TRD Lowering Springs were tested and engineered according to Toyota high quality standards to assure that the best performance will be delivered.

Not only does a set of durable TRD Lowering Springs improve the handling performance, but it also gives sportier look to your Corolla by lowering the ride height.

TRD Rear Sway Bar

\$330.00

Engineered by TRD to enhance the vehicle's handling characteristics, the rear sway bar provides a flatter, more stable cornering stance. Constructed of high-quality spring steel, the sway bar features a gloss red powder coat finish that resists corrosion and protects against road damage, while providing a striking visual enhancement to the vehicle.

Bongiovi Acoustics DPS

\$412.00

BONGIOVI ACOUSTICS DPS is a fully digital state of art audio system that processes the audio stream in real time and routes the enhanced audio to a 4 channel digital amplification system. The result is an unparalleled listening experience in your Toyota vehicle. BONGIOVI DPS ACOUSTICS smooths out the differences in volume between any audio source (CD, AM, FM, Satellite Radio) and greatly improves the sound of all sources of audio including portable music devices.
