Block Heater

\$240.00

Makes a cold weather start a breeze. A custom-designed system with 400 watts of heating power not only warms the vehicle up quicker but also reduces engine strain and wear. The Block Heater also helps save fuel and battery power during startups and the strain relief electrical cord reduces cord damage.

Bodyside Mouldings

\$272.00

Protect your vehicle from dings and bumps, while adding a touch of elegance to your vehicle's exterior. Constructed from highly durable material, the Bodyside Mouldings offer long-lasting protection from any type of minor incidental contact to the sides of the vehicle.

Hood Deflector

\$195.00

Your hood can take a beating and still look great. Made from thick high-grade tinted acrylic, the deflector offers high impact resistance and reduces the potential for road debris and insect damage. The stylish wraparound design complements the vehicle's appearance while providing extra side protection. Thanks to the no-drill installation, it can be placed on a hood in minutes (except on Tundra and Sequoia).

Paint Protection Film

\$520.00

Genuine Toyota paint protection film, made from the highest grade 3M film and designed for the hood and front fenders, helps guard your vehicle from weathering, UV radiation and road debris that can chip and scratch the finish. Constructed from durable, nearly invisible thermoplastic urethane, the clear-coated film helps your Toyota maintain a like-new appearance, while allowing you to clean and maintain your vehicle the same as before.

For calculation purposes, all accessory pricing includes installation (if required). However, because the cost of doing business varies, the installation portion of the price may not be the exact cost of installation at a dealership. Please confirm accessory pricing with your dealership.

Rear Bumper Protector

\$165.00

Help keep the top surface of your rear bumper free of scrapes and scratches, while preserving the like-new appearance of your RAV4. The Raised tread pattern enhances the stylish looks of your RAV4 while a skid-resistant surface provides assistance when loading and unloading cargo.

Running Boards

\$820.00

Not only do Running Boards assist with entering a vehicle, they also help protect the lower body from road debris. The Running Boards feature a skid-resistant surface to help ensure secure footing, as well as fitting end caps for an integrated look and finish.

Towing Hitch (2" Receiver), Ball Platform & Wire Harness

\$1,515.00

This Towing Hitch system is specifically manufactured for the RAV4, and has been engineered to obtain the vehicle's safest maximum tow rating. For ease of use, the Towing Hitch Platform has been custom designed to accommodate the height of the vehicle with conventional towing. All Toyota Hitch Systems are e-coated and powder coated to prevent rust and corrosion and they are designed to meet or exceed all industry towing standards. The Towing Hitch Wire Harness (4-pin flat connector) features high-quality plug-in connectors specific to RAV4 that fulfill all the electrical needs required for towing. Additionally, to ensure seamless taillight and turn signal operation, the harness features an independent electronic module that safely integrates with the RAV4's electrical system.

Please note: modification of the rear bumper is required for the RAV4 Towing Hitch accessory. Please consult with your dealer for further details.
