

### ASFM- Tub Style All Season Floor Mats

\$165.00

Description is not available.

### Bed Cleat

\$55.00

Further enhance your Tacoma's utility and versatility by adding some additional tie-down bed cleats. The tie-down bed cleats are fully adjustable and slide along your Tacoma's bed rail system. They are held in place by a spring-loaded, twist/locking clamp, giving you the ultimate flexibility to place them anywhere along your bed rails.

### Bed Divider

\$445.02

The extra large truck bed can be too big sometimes. The cargo divider will allow you to create a smaller partition of your bed space to keep your cargo or boxes from flying around inside your truck bed.

### Bed Extender

\$382.00

Create some additional space in your Tacoma's bed with the Bed Extender. It extends over the tailgate, creating even more space in Tacoma's bed for carrying your items. The Extender can also be rotated inward, providing an enclosed cargo area to secure smaller items with the tailgate closed. Made to last with lightweight, high-strength aluminum.

### Bed Mat

\$130.00

Protect your truck bed when you need it. Custom designed for an exact fit, the mat protects against scratches, spills and damage. Made from thick cord-reinforced, synthetic rubber for durability, the mat is resistant to cracking and breaking while also providing airflow and drainage to keep the truck bed dry. The anti-slip design also prevents items from sliding in the cargo area. Mat can also be trimmed to fit into a truck with a bedliner.

### Cargo Net - Envelope

\$55.01

Handy way to keep things from sliding around. The Toyota Cargo Net has a rugged hammock-style netting with elastic closure. The flexible, nylon braided net secured by tie-down rings in the cargo area prevents items from flying around while on the road. The stretchable net secures and protects all of your cargo. Easy to install, it can easily be removed and stored in a compact way when not in use.

### D-Rings

\$185.00

Designed to offer an extra measure of cargo carrying capacity, these truck bed D-rings help provide a secure method of tying down equipment and gear in the Tacoma bed. Sturdy construction and pivoting capability allow for multiple positions and use. (Max capacity per ring is 199.6 kgs).

### Exhaust Tip

\$102.50

Description is not available.

### Hood Deflector

\$210.00

Made from thick high-grade tinted acrylic, this Tacoma Hood Deflector offers high impact resistance and reduces the potential for road debris and insect damage. The stylish wraparound design complements the vehicle's appearance while protecting your hood and factory paint finish from damage that can occur during daily use.

### Paint Protection Film

\$660.00

Genuine Toyota paint protection film, made from the highest grade 3M film and designed for the hood and front fenders, helps guard your vehicle from weathering, UV radiation and road debris that can chip and scratch the finish. Constructed from durable, nearly invisible thermoplastic urethane, the clear-coated film helps your Toyota maintain a like-new appearance, while allowing you to clean and maintain your vehicle the same as before. Backed by a 7 year limited warranty. At participating dealers only.

### Plug-In Block Heater

\$554.00

Description is not available.

### Rear Bumper Step

\$344.00

Make the access to your Tacoma a little simpler by installing the Tacoma Bed Step. Made from high quality aluminium, this step has a 136 kg (300 lbs.) load rating, bolts directly on (no drilling required) and tucks up out of sight when not in use.

For calculation purposes, all accessory pricing includes installation (if required). However, because the cost of doing business varies, the installation portion of the price may not be the exact cost of installation at a dealership. Please confirm accessory pricing with your dealership.

### Running Boards

\$465.02

Go that extra step. Not only do running boards assist in entering a vehicle, they also help protect the lower body from road debris. Constructed with high quality material, they feature a wide-step surface with plastic step pad. The custom engineering ensures a perfect fit and easy installation.

### Side Step Bars - 4-inch

\$510.00

A rugged good look. The dual step pads not only help passengers get into a vehicle but also give the vehicle a rugged look. Available in Aluminium, these wedge step bars are custom fitted and designed for your vehicle. Plus, the steps are easy to install since no drilling is required.

### Spare Tire Lock

\$95.00

Secure your spare tire with a precision machined lock constructed of hardened steel with zinc-nickel plating. It quickly attaches to the spare's crank-down tool receiver mechanism, and the key attaches to the crank-down tool in the vehicle's tool kit.
